- Ten members of the Bombay Police Force are presently enrolled in a Russian language course. Although they pay the tuition charges themselves they are given a special rate, and it is believed that they are reimbursed. Classes are given once a week, each class lasting two hours.
- The students ere, without exception, lower in rank than deputy inspector. Students who finish the course will reputedly be used for routine trans-lating work.
- 3. Students other than police officers are few and none of them is believed to be a Communist.*

25X1A6a

are taught Russian in underground classrooms conducted by party members.

ian Communists 25X1X6
